## ARRIVAL

- We ask that those who come to our office with a companion, limited it only 1 additional person as to allow for adequate socially distant space in our atrium waiting area.
- Review of COVID-19 exposure screen in person.
- Forehead temperatures will be taken for every patient and each patient companion (guardian, spouse, relative, nurse, etc.)
- Use the restroom and wash your hands with soap for 20 seconds BEFORE entering treatment areas

## TREATMENT

- Patients will be provided with an antibacterial/microbial rinse prior to all treatments.
- Patients will be provided with protective eyewear to wear during all treatments.

## CHECKOUT

- Patients will be asked to leave the treatment room wearing their mask.
- Observe social distancing best practices. Please be patients as we will be limited to 2 patients checking out a front desk at a time.
- Patients are considered to manage payment over the phone (provide credit card in advance of treatment) or to “pre-write” checks at home, to facilitate a quick check-out and avoid crowding at the front desk.

Download the annual medical updates, COVID-19 Questionnaire, and informed consent from our website prior to the visit and please bring them with you to your appointment.
